3. If the applicant is not the property owner, the property owner must sign the application, authorizing the applicant to apply for the Use Permit.
4. An administrative hearing will be scheduled, no later than 21 days following the receipt of all of the above. All adjoining property owners will be notified of the purpose of the application and the date and time of the hearing. The Director or designated hearing officer will take minutes of the proceedings, including testimony in support or opposition to the request. The Director will issue his decision to the applicant within (10) working days after the administrative hearing, in writing, fully stating the reasons if denied, or any stipulations of conditions if approved.

Appeals must be filed within (20) working days following the issuance of a denial, in writing to the Community Development Division stating the grounds for the appeal and must be accompanied with the \$150 nonrefundable appeal fee.
